PROFESSIONAL SUMMARY

B.Tech Data Science student with knowledge of Python and data analysis. Built projects in EDA, visualization and computer vision. Seeking a Data Science/Python internship.

EDUCATION

B.Tech (Data Science) – Maharana Pratap Engineering College (AKTU) Class XII: 62% (2024) | Class X: 79.5% (2022)

SKILLS

Python • C • Pandas • NumPy • Matplotlib • OpenCV • Pyzbar • Git • GitHub • VS Code

PROJECTS

Student Performance Analysis

Analyzed student data using Python & Pandas.

Performed EDA and visualized trends using Matplotlib.

Netflix Data Analysis

Cleaned Netflix dataset and generated insights.

Analyzed country, genre and release-year trends.

QR Scanner

Developed QR Scanner using OpenCV & Pyzbar.

Implemented real-time QR code detection.

CERTIFICATIONS

Python Essentials 1 • Data Science & Analytics • Advanced C++

LANGUAGES

English, Hindi
